DETAILED ACTION

1. Acknowledgment is made in the receipt of the amendment filed November 14, 2006.

Allowable Subject Matter

2. Claims 1-3 are allowed.
3. The following is an examiner's statement of reasons for allowance: the prior art of record fails to anticipate or render obvious a coil spring provided with a coupler having a length less than a quarter of a circle of the coil, wherein the coupler is fixedly held between the terminal convolution and the subsequent convolution of the coil element rod of the coil spring in an uncompressed state of the coil spring without a gap between the outer peripheral surface of the terminal convolution and a first surface of the coupler and without a gap between the outer peripheral surface of the subsequent convolution and a second surface of the coupler.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
